what is jobs for fresh graduates from this ?

EVA 🗨️ 🗨️ :

Hello! Based on our current openings in Cairo, Egypt, several roles are suitable for fresh graduates. Experience is not specified for many of these, making them ideal entry-level positions: * **UX Designer:** This role in the Digital Transformation department requires no specified experience, making it a good fit for recent graduates with relevant skills. * **Production Specialist:** Located in the Operations Business Division, this position requires a Bachelor's degree in Pharmaceutical Sciences. While experience isn't specified, a relevant degree would be sufficient for entry. * **PHI Key Account Manager:** In the Egypt Cluster, this role needs a Bachelor's degree in Pharmacy, Medicine, Business, or a related field (an MBA is a plus). Experience is not a requirement. * **PHI Field Market Access:** Also in the Egypt Cluster, this opening requires a Bachelor's Degree in Pharmaceutical Sciences. Experience is not specified. * **Medical Representative:** This position within the Egypt Cluster requires a Bachelor's degree in Pharmacy or Veterinary Medicine. While prior experience or internships are a plus, they aren't mandatory. * **Regulatory Affairs Specialist:** This role in the Regulatory Affairs department does not specify experience requirements. A relevant degree would likely be beneficial. * **IT Help Desk Engineer:** This role within the Digital Transformation department requires proven experience, which may not be suitable for fresh graduates unless they possess relevant internship or project experience. Please note that while experience isn't specified for many roles, a strong academic background and relevant skills are crucial for securing an interview. If you have any further questions about specific roles or qualifications, feel free to ask!

How many years of experience are required for Nigeria Area Supervisor role?

EVA 🗨️ 🗨️ :

Hello! The Nigeria Area Supervisor role requires at least 2 years of experience in a managerial position with leadership responsibilities. The position is located in Abuja and Lagos, Nigeria, and falls under the SSA (Sub-Saharan Africa) Department. In addition to the experience requirement, the role requires a strong understanding of business sources across all 37 states of Nigeria, a willingness to travel extensively, experience with resource allocation for ROI, and experience in diabetes and endocrinology (this last point is a plus, not a requirement).
